Application:	Packaging/Paper Converting

ABOUT WISDOM ADHESIVES

Wisdom Adhesives, North America's top mid-sized adhesives manufacturer, continually develops new products and customized adhesives, and produces a wide variety of high quality water-based resin, dextrin, protein and hot melt adhesives.

Wisdom customers enjoy an unsurpassed level of personalized service and the fastest response (with a 24-hour turnaround) in the industry.

ADDITIONAL INFORMATION

HANDLING & STORAGE:

For best results, use product within 60 days and thoroughly mix prior to use. Prevent product from freezing. For best results and longest storage-life, store product below 90°F and avoid excessive heat for extended periods of time.

ROTATE STOCK:

For best results, use older lots first.

TOXICITY:

Under normal conditions of use this product is considered non-toxic. Consult the MSDS for additional information.

CLEAN UP:

For best results, clean product in its wet form immediately with warm water or additionally with warm water and soap. For dried adhesive product use warm water and manual scrapping. For difficult to remove dried adhesive product, use polar solvents (such as alcohols or ketones) or environmentally-friendly solvents (such as those based on citric materials) for cleaning. If using environmentally-friendly solvents, a final wipe with a polar solvent is suggested.

FDA STATUS:

Consult your Wisdom Adhesives representative for the most recent FDA status information.

DISCLAIMER:

The information given above is based on our best knowledge, and is believed it to be true and accurate. No guaranty of accuracy is made. It is the purchaser's responsibility before using any product to verify this data under their own operating conditions and to determine whether the product is suitable for their purposes. Please read the entire product bulletin along with our conditions of sale which apply to all goods supplied by us.
